CHIEF SECRETARY 21 JUNE 1935

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Sir,

I have the honour to state that in the existing bye-laws for regulating, licensing, and inspecting the conduct of bakeries, hotels etc , sanctioned in Government Order No L 4602/M1 66-28-2 dated 5/7th January 1929 and amended in Government Orders No L 2089/M1 66-31-32 dated 17/22-9-1931 and No L 3482/M1 47-34-23 dated 15th November 1934, there was no provision requiring the production of certificates by the employees in Bakeries and Sweet-meat shops to show that they are free from communicable diseases and it was therefore considered necessary in the interests of the public health to incorporate in the existing bye-laws the marginally noted provision The Municipal Council at their meeting held on 5th March 1935 approved of the amendment of the bye-laws with the insertion of the above provision, after bye-law No 2 under II- Special (a) - MANUFACTURE OR BREAD AND SWEET-MEATS

"No person shall be employed in any Bakery and Sweet-meat shops, unless he produces certificate that he is free from a contagious, infectious or loathsome disease, at the time of his employment and thereafter at such intervals as may be prescribed by the Health Officer The certificate should be produced for the inspection of the Health Officer whenever it is required by him for purposes of inspection"

The proposed amendment was published in the Mysore Gazette dated 28th March 1935 inviting objections or suggestions to the proposal and as no objections were received, the amendment was finally approved by the Council at their meeting held on 25th May 1935

In the circumstances I request the favour of sanction of Government to the proposed amendment

A copy of the draft amendment published in the Gazette together with a copy of the Council's Resolution is hereto appended

I have the honour to be,

Sir,

Your most obedient servant,

President
